CAPTURING THE COMMONS (PAPERBACK)

University Press of New England, United States, 2004. Paperback. Condition: New. Revised. Language: English. Brand new Book. One of the most pressing concerns of environmentalists and policy makers is the overexploitation of natural resources. Efforts to regulate such resources are too often undermined by the people whose livelihoods depend on their use. One of the great challenges for wildlife managers in the twenty-first century is learning to create the conditions under which people will erect effective and workable rules to...
